GLEANNING

SAT. MARCH 7 8:30AM

CITRUS GROVE
11941 Hull Rd, Clermont FL

The biblical concept of gleaning is first found in Leviticus 19:9. When wheat and barley fields were ready to be harvested, some of the grain was allowed to fall to the ground so that the poor could gather what they needed for provision.

Join us as we glean food for those in need! Sign up online
