### How to Make Your Donation

1. If you want the team to shop for you, use [Tithe.ly](https://www.tithe.ly) online or donate through SOJ website. Just be sure to specify that it's a donation for The Angel Tree so it is directed to the correct fund. **Donate early.**
2. Mail in your donation and note that it is for the Angel Tree Fund. **Mail early. The team will be shopping as funds come in.**
3. See Brent Daum or another team member at church and give your gift, gift card, or cash donation to him. **Drop off early.**

**SPECIAL NEED:** One of the schools has asked for help with their food pantry because they are running low. We are happy to report that Converge and Thrivent are assisting us with this need. If you are able to donate non-perishable items so there is adequate food in November and December, you can drop it off at SOJ and mark it for the Angel Tree or contact a team member to make arrangements for porch pick-up or delivery.
